

# AES Masinloc Power Plant :

## Complete rehabilitation of two (2) unit Butterfly Valve 1800mm

Brand : Rodney Hunt, Model BV1800

# SEM-CALACA Power Plant :

Complete rehabilitation of two (2) unit Butterfly Valve 1800mm

Brand : Kubota, Model BV1800

# SEM-CALACA Power Plant :

## Complete rehabilitation of Unit 1 Cold Pumps

Brand : KSB/Torishima, Yoshikura Kogyo, Ebara Pump & Vacuum

# STEAG ESTATE POWER PLANT - Mindanao:

## Complete Overhauling of two (2) unit Boiler Feed Pump – 2400KW

Brand : Torishima Pump - Japan

# GLOBAL POWER - Toledo:

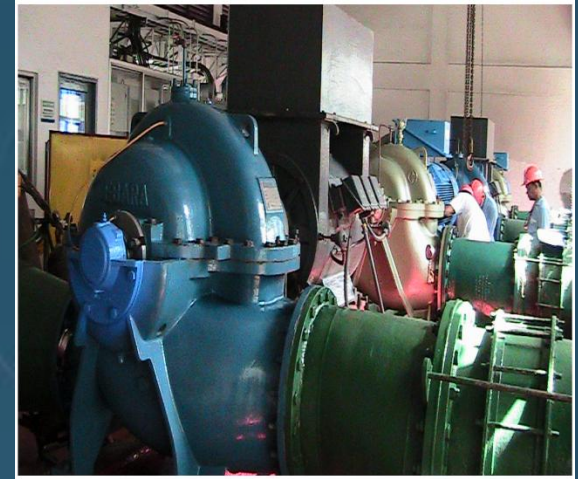

## Diagnostic Services for 6 units BFP and 9 units CWP

Brand : Torishima Pump - Japan

# Fort Bonifacio : Complete replacement & installation from 4sets Ebara Horizontal Split Case Pumps to Torishima Pumps.

# Tsuneishi Heavy Industries (Cebu) : Supply and Installation of 4 sets Torishima SPV 1100 Pumps.

# Global Formosa Power (Cebu Energy Power Corp): Supply, Installation & Commissioning of 9 sets Torishima Circulating Pumps SPV1000 & 6 sets Torishima Boiler Feed Pumps MHG 4/9

# Global Formosa Power (Panay Energy Power Corp): Supply, Installation & Commissioning of 6 sets Torishima Circulating Pumps SPV1000 & 4 sets Torishima Boiler Feed Pumps MHG 4/9

**MMDA:**

**Design, Supply & Installation of 3 sets EIM MSA 120250 Flood Control Pumps 250HP & 2 sets Cummins Generator Sets 1000KVA**

Sem-Calaca Power Corp (DMCI):

Overhauling of 2 Torishima SPV 1800 Circulating Water Pumps, 3 Weir Condensate Extraction Pumps, 3 Sulzer Bearing Cooling Pumps & 2 Ebara Turbine Screen Wash Pumps

# Bacman – Energy Development Corporation (Sorsogon) – Pullout, disassembly and check-up of various pumps

# Belle Corporation (Tagaytay Highlands) – Overhauling of Torishima Horizontal Multistage High Pressure Pumps MHG 3/5

# Other Projects

## STEAG STATE POWER

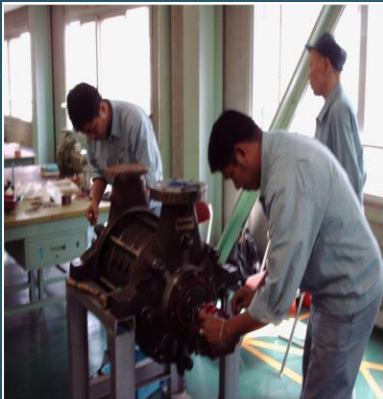

## VILLAMOR PUMPING STATION

Our Engineers are all trained in various aspects of pump maintenance , repairs and overhauling supported by Japanese government's Association for Overseas Technical Scholarship (AOTS) and our principal, Torishima Pump Mfg. Co. Ltd.

Our Service / Instrumentation Engineers doing vibration, ultrasound, laser alignment, thermal imaging and motor analysis.

# Diagnostics Tools & Instruments

Non-Intrusive Flow Meter

Infrared Camera

Vibration Analyzer

Laser Aligner

Ultrasonic Sound Meter

Micrometer

# Training / Seminars for Customers
